

## *Dogsong* Post-Reading Activity

Using Google Drive, Create a document in your Period folder, subfolder *Dogsong*, and title the document your name. Then:

1. Write a how-to manual about surviving in the Arctic from Russel's point of view. **YOU ARE WRITING IN FIRST PERSON** [For example: "I know how important getting food is because ..."]. Include what he learned about getting food (1), making shelter (2), surviving the cold (3), and running the dogs (4). This should be a short paragraph about each part--four paragraphs.
  - Use the book as a guide.
  - Use the *Dogsong* Summary link in wiki as an aid.
  - Use the other links on the wiki.
2. Write a paragraph on the theme, "Life is a journey." Describe how you plan to make the journey of your life a good one.
3. Write a description (in one paragraph) of a memorable dream you've had. The dream may have frightened you, inspired you, or made you understand something about yourself.

You will have a total of 6 paragraphs when done.
